IN THE UNITED STATES DISTRICT COURT
 FOR THE NORTHERN DISTRICT OF CALIFORNIA
 SAN FRANCISCO DIVISION

PEOPLE OF THE STATE OF CALIFORNIA, <p style="text-align: right;">Plaintiff,</p> <p style="text-align: center;">v.</p> FIAT CHRYSLER AUTOMOBILES N.V., FCA US LLC, V.M. MOTORI S.p.A., and V.M. NORTH AMERICA, INC., <p style="text-align: right;">Defendants.</p>

CASE NO. 3:19-CV-00151
 SECOND CALIFORNIA PARTIAL CONSENT
 DECREE

WHEREAS, Plaintiff the People of the State of California (the “State of California”), acting by and through Xavier Becerra, Attorney General of the State of California (“the California Attorney General,” as specifically defined below), and the California Air Resources Board

1 (“CARB,” as specifically defined below) (collectively “California”) filed a complaint (the
2 “California Complaint”) in this action on January 9, 2019, against Fiat Chrysler Automobiles N.V.,
3 FCA US LLC, V.M. Motori S.p.A, and V.M. North America, Inc. (collectively, “Defendants,” as
4 specifically defined below), alleging in relevant part that, in connection with the certification,
5 marketing, distribution, and sale in California of approximately 14,000 model year (“MY”) 2014 to
6 2016 Ram 1500 and MY 2014 to 2016 Jeep Grand Cherokee vehicles equipped with 3.0 liter
7 EcoDiesel engines (the “Subject Vehicles,” as specifically defined below), Defendants violated 42
8 U.S.C. § 7604(a)(1); California Health and Safety Code §§ 43016, 43151, 43152, 43153, 43154,
9 43205, 43211, and 43212; 13 C.C.R. §§ 1961, 1961.2, 1965, 1968.2, and 2037 and the 40 C.F.R.
10 sections incorporated therein by reference; and California Business and Professions Code §§ 17200
11 et seq., 17500 et seq., and 17580.5 (the “California Claims”);

12 **WHEREAS**, the California Complaint alleges, in relevant part, that each Subject Vehicle
13 contains, as part of the electronic control module, certain software functions and calibrations that
14 cause the emission control system of those vehicles to perform differently (i.e., to underperform or
15 shut off) during normal vehicle operation and use, as compared to during emissions testing. The
16 California Complaint alleges that these software functions and calibrations are undisclosed
17 Auxiliary Emission Control Devices (“AECDS”) in violation of California and federal law, and that
18 they are also prohibited defeat devices under California and federal law. The California Complaint
19 also alleges that during normal vehicle operation and use, the Subject Vehicles emit increased
20 levels of oxides of nitrogen (“NOx”). The California Complaint seeks, among other things, civil
21 penalties, injunctive relief, mitigation, costs and other equitable relief related to the presence of the
22 defeat devices in the Subject Vehicles;

23 **WHEREAS**, Defendants and California intend to resolve certain aspects of the California
24 Claims through the entry of: (1) a consent decree among the United States, California, and the
25 Defendants (the “FCA/US/CA Consent Decree”) concerning the Subject Vehicles, lodged on
26 January 10, 2019, that, among other things, establishes a recall program offering consumers an
27 approved emissions modification to be applied to the Subject Vehicles, establishes a post-entry
28 testing program to ensure continued compliance and durability of modified Subject Vehicles,

1 requires Defendants to implement certain corporate compliance reforms, and requires Defendants
2 to make a civil penalty payment of \$42,700,000 to CARB and a separate penalty payment of
3 \$3,175,200 to CARB for certain additional on-board diagnostic (“OBD”) non-compliances; and (2)
4 a consent decree between California and Defendants (“First California Partial Consent Decree”)
5 concerning the Subject Vehicles, lodged on January 10, 2019, that requires Defendants to make a
6 payment of \$19,035,000 to CARB and which is intended to fully mitigate the total lifetime excess
7 NOx emissions from the Subject Vehicles in California, as claimed by California;

8 **WHEREAS**, Defendants and the People of the State of California, by and through the
9 California Attorney General (together, the “Parties”), have agreed to resolve the remaining aspects
10 of the California Claims related to the Subject Vehicles without the need for litigation through this
11 Second California Partial Consent Decree;

12 **WHEREAS**, this Second California Partial Consent Decree (referred to herein as the
13 “Consent Decree”) resolves Defendants’ alleged violations of California Business and Professions
14 Code §§ 17200 et seq., 17500 et seq., and 17580.5 as more fully described in the California
15 Complaint (the “Consumer Protection Claims”), including by providing certain injunctive and
16 monetary relief to the California Attorney General;

17 **WHEREAS**, nothing in this Consent Decree shall constitute an admission of any fact or
18 law by any Party, including as to any factual or legal assertion set forth in the California Complaint,
19 except for the purpose of enforcing the terms or conditions set forth herein;

20 **WHEREAS**, the Parties recognize, and the Court by entering this Consent Decree finds,
21 that this Consent Decree has been negotiated by the Parties in good faith and will avoid litigation
22 among the Parties regarding the Consumer Protection Claims, and that this Consent Decree is fair,
23 reasonable, and in the public interest; and

24 **NOW, THEREFORE**, before the taking of any testimony, without the adjudication of any
25 issue of fact or law, and with the consent of the Parties, **IT IS HEREBY ADJUDGED,**
26 **ORDERED, AND DECREED** as follows:

27 **I. JURISDICTION AND VENUE**

28 1. The Court has jurisdiction over the subject matter of this action pursuant to 28

1 U.S.C. § 1331, and over the Parties to the extent limited by this paragraph. Venue lies in this
2 District pursuant to 28 U.S.C. § 1391(b), 28 U.S.C. § 1407, and the MDL Panel's Transfer Order,
3 dated April 5, 2017. *In re Chrysler-Dodge-Jeep EcoDiesel Mktg., Sales Practices & Prod. Liab.*

5 supplemental jurisdiction over California's state law claims pursuant to 28 U.S.C. § 1367.
6 Defendants consent to the Court's jurisdiction over entry of this Consent Decree and over any
7 action against Defendants to enforce this Consent Decree, and consent to venue in this judicial
8 district for such purposes. Defendants reserve the right to challenge and oppose any claims to
9 jurisdiction by California that (i) do not arise from the Court's jurisdiction over this Consent Decree
10 or (ii) are not made in an action by California to enforce this Consent Decree.

11 2. Solely for purposes of this Consent Decree, without admission of any legal or
12 factual assertion set forth in the California Complaint, and without prejudice to their ability to
13 contest the legal sufficiency or merits of a complaint in any other proceeding, Defendants do not
14 contest that the California Complaint states claims upon which relief may be granted pursuant to:
15 42 U.S.C. § 7604(a)(1); California Health and Safety Code §§ 43016, 43151, 43152, 43153, 43154,
16 43205, 43211, and 43212; 13 C.C.R. §§ 1961, 1961.2, 1965, 1968.2, and 2037 and the 40 C.F.R.

18 et seq., 17500 et seq., and 17580.5.

3 control of any of the Defendants, to which any of them is a party, and no change in the ownership or
4 control of any Defendant shall affect the obligations hereunder of any Defendant without
5 modification of this Consent Decree in accordance with Section XII.

6 6. Defendants shall provide a copy of this Consent Decree to the members of their
7 respective Board of Directors and their executives whose duties might reasonably include
8 compliance with, or oversight over compliance with, any provision of this Consent Decree.
9 Defendants shall also ensure that any contractors, agents, and employees whose duties might
10 reasonably include compliance with any provision of the Consent Decree are made aware of those
11 requirements of the Consent Decree relevant to their performance.

12 7. In any action to enforce this Consent Decree, Defendants shall not raise as a

14 take any actions necessary to comply with the provisions of this Consent Decree.

10 This paragraph does not release any claims held by individual consumers, nor create any right for
11 any individual consumer to enforce.

12 c. All claims for costs and attorneys’ fees, including as alleged in the
13 California Complaint.

14 18. To the extent that any claims released herein are duplicative of claims to be

9 obtain penalties or injunctive relief, except as specifically provided in paragraph 17. California
10 further reserves all legal and equitable remedies to address any imminent and substantial
11 endangerment to the public health or welfare or the environment arising at any of Defendants'

13 Consent Decree or otherwise.

14 22. In any subsequent judicial proceeding initiated by California for injunctive relief,
15 civil penalties, or other relief, Defendants shall not assert, and may not maintain, any defense or
16 claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim
17 preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by
18 California in the subsequent proceeding were or should have been brought in the instant case,
19 except with respect to the claims that have been specifically released pursuant to paragraph 17.

20 23. This Consent Decree is not a permit, or a modification of any permit, under any
21 federal, State, or local laws or regulations. Defendants are each responsible for achieving and
22 maintaining complete compliance with all applicable federal, State, and local laws, regulations, and
23 permits; and Defendants' compliance with this Consent Decree shall be no defense to any action
24 commenced pursuant to any such laws, regulations, or permits, except as set forth herein.
25 California does not, by its consent to the entry of this Consent Decree, warrant or aver in any
26 manner that Defendants' compliance with any aspect of this Consent Decree will result in
27 compliance with provisions of the Clean Air Act, or with any other provisions of United States,
28 State, or local laws, regulations, or permits.

1 24. Nothing in this Consent Decree releases any private rights of action asserted by
2 entities or persons not releasing claims under this Consent Decree, nor does this Consent Decree
3 limit any defense available to Defendants in any such action.

4 25. This Consent Decree does not limit or affect the rights of Defendants or of
5 California against any third parties, not party to this Consent Decree, nor does it limit the rights of
6 third parties, not party to this Consent Decree, against Defendants, except as otherwise provided by
7 law.

8 26. Except for any person or entity released by paragraph 17, this Consent Decree shall
9 not be construed to create rights in, or grant any cause of action to, any third party not a party to this
10 Consent Decree. No such third party shall be entitled to enforce any aspect of this Consent Decree
11 or claim any legal or equitable injury for a violation of this Consent Decree.

12 27. Nothing in this Consent Decree shall be construed as a waiver or limitation of any
13 defense or cause of action otherwise available to Defendants in any action. This Agreement is
14 made without trial or adjudication of any issue of fact or law, without any admission of fact or law,
15 and without any finding of liability of any kind.

16 **VII. NOTICES**

17 28. Except as specified elsewhere in this Consent Decree, whenever any notification,
18 or other communication is required by this Consent Decree, or whenever any communication is
19 required in any action or proceeding related to or bearing upon this Consent Decree or the rights or
20 obligations thereunder, it shall be made in writing (except that if any attachment is voluminous, it
