Your Rights, Next Steps, & Important Dates

The Settlements collectively provide cash compensation, a vehicle repair, and a comprehensive extended warranty. **If you are a current owner or current lessee, you must submit a claim and receive the repair to be eligible for compensation.** You can have your vehicle repaired and receive the extended warranty prior to or after making a claim, but you will not be eligible for compensation until you submit your claim.

The Court will hold a hearing on **May 3, 2019** and will decide whether to approve the Settlements on or after that date.

Fiat Chrysler will begin processing claims once the Court approves the Settlements. This notice is being sent to you prior to that date to give you time to decide whether to participate in the claims process. You will be notified again once you can start submitting claim forms and documentation. In the meantime, claim forms are available now at www.EcoDieselSettlement.com, and you can also sign up for e-mail updates at www.EcoDieselSettlement.com.

All current owners and current lessees must submit a valid claim within **21 months** of the Court's final approval of the Settlements to participate. If you are a Former Owner or Former Lessee, you must submit your valid claim within **90 days** of the Court's final approval of the Settlements. Please visit the settlement website below for additional information about important dates and deadlines.

You may object or exclude yourself from the Class Action Settlement by **April 15, 2019**. If you object, you will still be a member of the Class (if you are otherwise eligible) and must submit a claim to receive cash compensation. If you stay in the Class Action Settlement, you are eligible to receive benefits and cash and cannot sue Fiat Chrysler or Bosch for the claims being resolved by the Settlement.

Attorneys representing the Class will request Court approval for \$59 million in attorneys' fees and \$7 million in costs. Any such fees and costs awarded by the Court will be paid separately by Fiat Chrysler and Bosch and will not reduce your compensation.
